

## DRESS CODE

Our dress code contributes in a very important way to the overall sense of unity as a Christian school community. The dress code enhances the learning atmosphere, adds a sense of pride, and reduces negative competition among the students. Whitefield students are expected to wear their uniform in a manner that portrays a positive and modest self-image, conveys personal neatness and cleanliness, and demonstrates a willing attitude of excellence in performance and achievement.

Because of our belief in how God has made us, students must dress according to their biological gender. Students are expected to be in the full appropriate uniform throughout each day whether on campus, on field trips, or other school events (including school events scheduled after normal school hours) unless otherwise specified.

Please give special attention to the “Notes for...” paragraphs.
